## NEWSLETTER

Visit Our Website: <https://www.born2dance4ever.de/>

Dear: Parents and Members.

It is with great pleasure that I am writing this newsletter to you. It is unbelievable that June is already just around the corner. This year seems to be rushing at the speed of light. I know many parents had forgotten about our dance contest in June, but I have been making regular announcements about this since December and January. We are already halfway through 2023, and I think that it is about time we lift the dancing spirit up again. The weather is also changing, winter is always such a heavy season we need some light and sunshine and happiness. Our last function at Born 2 Dance was in December 2022. We had our end year Christmas Function and it was amazing.

It was indeed an EXTRAVAGANZA!!!

### 20 & 21 MAY 2023

- Born 2 Dance supports and encourages talent of all our members. We encourage everyone to participate in external dance competitions in order to grow and realize their fullest potential in dance sport activities. We have recently advertised and encouraged all the children to take part in the Deutsche Meisterschaft that will take place on the 20 and 21<sup>st</sup> of May 2023. It is with great pleasure to inform you that two of our students will be representing our Dance School, Trier and Rheinland Pfalz at this year's big dance competition. These children will be competing against many children from different federal states of Germany. We wish Constanze and Emma the very best for the Hip Hop competition we are already very proud that you are willing to take such a big step and compete at such a big competition.

### 17 JUNE 2023

- We are planning our very first FLASHMOB. A flashmob is a large public gathering at which people perform an unusual or seemingly random act and then disperse or disappear. Kindly refer to Youtube and search: Dance Flashmob. On the 17<sup>th</sup> of June Saturday at 12:00pm to 12:45pm Our Born 2 Dance Members, this includes the children too will meet in Trier City Centre at the main entrance of Trier Galerie outside next to the Zara store. Our flashmob will be danced to the song. Chiki Dance. This is a common song that we all know and love at Born 2 Dance. The dance is very easy and it is not stressful.
- A video to all groups will be sent for all the Members to learn it, even though we all know the choreography. We kindly ask for your participation, as this will also be a good advertising for our Dance School and expected Dance Show in Trier on the 23 June.

### 23 JUNE 2023

Dance Show Tickets available: <https://www.born2dance4ever.de/tickets>

I am very excited to announce that our dance school will be having its official second function. Wow!!! Lets make it BIGGER...BETTER...CRAZIER!!! Yes, the 23 June will be our Dance Competition and Show Dance Combination. This will be the **\*ELEGANZA SHOW\*** so please feel free to be as elegant and fabulous as ever. That will be the theme. Elegant and beautiful night of spectacular talent and dancing. A night we get to see how far our children have improved in the last 6 months as they display their talent and dancing skills. I would kindly like to remind all the parents to please support their children and nurture their talent and efforts. Children do not have to be perfect, dancing is supposed to make them happy, bring laughter and enjoyment. This is what we aim to achieve at Born 2 Dance to bring everyone together like a family were we can all connect and experience the passion of dancing together.

I humbly ask that when children are not perfect in the steps encourage them to take part, this will help them with confidence, personality and to be independent and not shy. Dance is a very good platform to teach children discipline, teamwork, responsibility, positivity, creativity and really shapes an individual especially with life goals and aspirations in life. I started dancing when I was 6 years old and it has taught me everything that I am today. It also teaches us how to face our fears, how to be brave, strong and how to use our minds.

- **Moving Kids 01 and 1**

The kids will dance Freestyle and the Hip Hop Choreography.

Music for freestyle will be, I like to move it move it.

Music for Hip Hop will be, Ciara Level Up Slow Version.

Children will first dance in their groups together. When they dance collectively they will not be judged. They will dance collectively for Hip Hop and Freestyle. The Moving Kids 01 will dance collectively as a group from their class, and so will the Moving Kids 1. They will then proceed to take the stage alone in a solo performance and this will be judged. The judging will be done in a manner that the results will determine if the child has won a Bronze, Silver or Gold Medal. This simply means that all children are by default all winners.

Gold means that the child has done exceptionally well and the performance was outstanding. Silver means that the work was good and Bronze means that the work is good but still a lot of improvement that needs to be done. In the event that the child only wants to compete in Hip Hop and not Freestyle this will still be allowed.

- **Moving Kids 2 and 3**

Music for Freestyle will be, Spontaneous Music Disco Freestyle Fast

Music for Hip Hop will be, Ciara Level Up Remix Version Fast.

Music for Vogue will be, Cookiee Kawaii Violin and Kim Possible Christina Milian Vogue.

They will dance in 3 categories Hip Hop, Freestyle and Vogue. This is also allowed that when a child wishes to only dance in two categories they will be allowed to do so. It is not a necessary to dance in all categories if the child feels that they are not ready or that they are nervous.

The Moving Kids 2 will dance collectively as a group from their class, and so will the Moving Kids. They will dance as a group in 3 categories Hip Hop, Freestyle and Vogue. When they dance collectively, they will not be judged. Judging will be done when the kids dance their solo performances of the three dance styles.

Additionally, the Moving Kids 2 and 3 will all be required to make a special performance. The children will be tasked to make their own dance choreography to their favorite song. They can dress up and wear whatever they want to wear for this category this is an expression and creativity project.

For example, if you visit our Instagram page you will find a beautiful contemporary choreography by Kyara. This was a dance that she put together herself last year and demonstrated it to the class when Karabo asked this as Homework. This video is one of our most viewed videos on our Instagram Born 2 Dance Account. Children will have to prepare any dance to any song to display. This section will be called the SHOW DANCE PRESENTATION which will not be judged. Children can also feel free to ask for help from Karabo and assistance before the 23 June.

Lastly, we will have a Dance Battle Competition. This will be in the format of the Deutsche Meisterschaft that Emma and Constanze are competing in. In this battle round all children will dance whatever they feel, they can even make up their own steps or choreography or they can simply dance the hip-hop choreography. The Dance Battle Royal music will be a 110bpm hip hop music for children and all the Moving Kids together will jointly embark on this one. A combined section were all children dance at the same time to a spontaneous song and they dance their own choreography. From the 4 groups of the moving kids, only 6 will make a final in which positions 1,2,3,4,5,6 will be awarded.

This competition is designed to test the creativity of the child and see how spontaneous they can be. How they can make their own moves and make dancing fun. The music will be played for 1 minute and each round 2 children will be cut till we are left with only 6 creative kids to compete in the final of the Dance Battle Royal.

We only ask from those who are able to assist in this manner. ## JULY 2023

A reminder to the Latin Group Class about THE DANCE COMP Competition in Wuppertal. This is the link to the competition details <https://dancecomp.de/> It is my wish that we all go together and watch this magnificent competition. I will of course be competing as well as Kolia and Alina, but I think it is very important for the Latin students to watch this competition and watch how a World Dance Sport International Competition is ran. This will also be good for the students to watch all their age groups and see how people are dancing in their age groups. This is a world-class competition with over 50 nationalities competing at this competition. We will all meet at the competition venue on 1 July 2023 early morning at 10:00am and we will all drive back together either the Saturday Night or we can sleep in Wuppertal watch the Sunday Event and return the afternoon of Sunday back to Trier. This we can decide all together in class.

Kindly see link for time plan of the dance competition <https://dancecomp.de/informieren/zeitplan> and additional information here <https://dancecomp.de/informieren/neuigkeiten>
