2nd quarter-(April, May and June)

Dear: Parents and Members.

Welcome to the second quarter of the year. A kind reminder that in April we will have our Born 2 Dance Hip-Hop Battle event. Kindly see and be reminded of this year's events at our dance school. Dates for events:

1. Hip Hop Dance Battle Royal - 26.04.2024
The dance show focuses on hip-hop dancing only.
2. Eleganza dance show - 11.07.2024
The dance show focuses on freestyle and vogue dances only.
3. Extravaganza dance show - 29.11.2024
The dance show focuses on all the dance styles learned throughout the year, for both kids and adults.

APRIL 2024

Our first event at B2D will take place in April, the Hip Hop Dance Battle competition. The idea is to have an open dance hip-hop or break dancing competition open to all members and non-registered kids. It will definitely be more interesting and much more fun. The dance competition will take place on Friday, April 26th. It is expected to start at 16.00 and end at 21:30pm. Please note that boys are also invited to take part in the battle. Everyone is welcome, students are encouraged to bring as many friends, cousins, family members and children to the dance competition as much as possible in order to compete and take part. The dance battle is a fun exercise to challenge the kids to think for themselves and to also formulate steps spontaneously. It is also a challenge for the kids to show what they have learned at the dance school. The dance battle is very simple:

- Kids will all dance a solo introduction dance for 30seconds.
- Spontaneous music will be played for the solo intro dance and for each battle round.
- Kids will formulate their own steps accurately to the music that is playing.
- The dance round is approximately 1minute and 30seconds.
- This is what we call, fun dancing. Kids are allowed to do any steps, any movements and any dance they would like to do.
- Kids will dance in different age groups, not all kids will dance in the same age group.

I want to encourage parents to motivate children to participate in this exercise. It does not matter that a level 1 child can compete against a level 5 child, the judging is based on the creativity of the child, the ability to be spontaneous, and confident, to think on the spot, to be spontaneous. Last year we had a similar dance battle in which we saw Johanna and Kristina completely new kids make it all the way to the semi-final round beating most of the experienced dancers.

BORN 2 DANCE CLOSING DATES:

All parents and members are reminded to regularly check the website online. It is very important to know when the Dance School Closes. Please be reminded that that like the previous years our dance school closes. We are not open the whole year without a break this is not possible for the Dance Teacher. Our website has all important information regularly check the website please.

We have also had many new members and parents ask this question. Do we skip membership fees during the closing period? The answer is simple, NO. If we skip, fees during closing times how will we pay for the rent of the dance school and keep the dance school open and running. This is simply not possible and we do not allow it.

Compared to the dance schools in Trier and around our region, Born 2 Dance has the lowest fees imaginable and gives the best of the very best in terms of quality and best training for kids and dance members. Therefore, we kindly ask all the members and the parents to consider this.

The Dance school will be closed from the 25 March and we will resume on 2 April 2024 than we will have 24 days, which is three weeks until the Battle Bonanza Event. Kids are encouraged to practice during the break.

The next newsletter: 2nd quarter will be in May 2024.

The news letter will cover May and June

Coming up will be Movie Day and Flashmob.
